

John Owen's Adventure – JOA Donation Pledge

JOA is a local non-profit whose mission is to fund awareness for chronic childhood illnesses, including Duchenne's Muscular Dystrophy (DMD). JOA, a 501(c)3, started in May of 2008 by parents of DMD son, John Owen. JOA develops funds for finding a cure to Duchenne's Muscular dystrophy (the #1 fatal genetic illness of young boys), sustaining the quality of life for these affected children and educating the general public about such illnesses.

With the support of our generous community, we have put over \$150,000 into the hands of scientists working hard to rid the world of this illness that is robbing the life 1 in 3,500 boys worldwide.

Your generous support will be recognized 7/28/2012 at our 5th Annual Picnic in the Park. This family friendly event with live music, food and raffles brings in 2,000 JOA supporters. To learn more about JOA and DMD please visit us at www.joainc.org (click Tax info for IRS data). The MDA (Jerry's kids) and PPMMD are JOA's major benefactors.

Thank you in advance for your support, it is greatly appreciated!
