2	eleventh	120	Nuwave Infrared Oven : The NuWave Oven takes advantage of Triple Combo Cooking Power to cook foods quickly & deliciously. It uses conduction heat, just like a conventional oven, convection heat, which circulates hot air around the food, & infrared heat, which penetrates food, cooking on the outside & inside at the same time. & with its unique design, the NuWave Oven can make your favorite foods even healthier. The elevated cooking rack allows fats & oils to drip away from foods, while the natural juices remain resulting in healthier meals that are just as delicious as ever.	Friends of JOA
